ONLINE REGISTRATION IS OPEN NOW!

<https://conference.nohvcc.org/?EVENT&EVENTCODE=010193-46&PASSWORD=nohvcc&template=08adwTN>

The National Off-Highway Vehicle Conservation Council (NOHVCC) will conduct an Association Development Workshop for OHV club leaders and OHV enthusiasts on Saturday, May 31, in Cookeville, TN.

The purpose of the workshop is to bring together the leadership of Tennessee's motorized recreation interests including off-highway motorcycle, ATV, four-wheel drive interests and motorized recreation businesses to:

- Build the foundation for a statewide motorized recreation association;
- Establish a structure and process that will improve communication and cooperation between motorized recreation clubs;
- Build a better understanding of land management issues and how to effectively improve and protect responsible motorized recreation on private and public land; and
- Improve the ability of the Tennessee motorized recreation public to participate in and effectively influence political processes.

A registration fee of \$15.00 will be charged to cover materials, lunches and beverage service. Please register on-line using the link provided above. Advance registration is required. Registration closes May 23rd.

For information on hotels, campgrounds and opportunities to ride in the area on Sunday, visit the OHV4TN website at: <http://www.ohv4tn.org/>

The NOHVCC is a non-profit educational foundation. For information regarding the NOHVCC and its workshop program visit its website at www.nohvcc.org.

Register now and plan to be in Cookeville on May 31st
